# Village of Tolono Entrance Sign Improvement Project

Sadorus All-Stars 4-H club members would like to build new “Welcome to Tolono” signs when entering Tolono from the North and South entrances on 45. The club hopes to build a similar sign (see image) to the south entrance to Tolono and to replace the sign in the North entrance on 45.

Also, the club hopes to secure grants and additional funding to complete the project. Grace Wherley, community service co-chair, and Malia Fairbanks, club President, presented to Village of Tolono officials for approval of this project and were approved to coordinate the project efforts. The project will need to have signs made, add lighting, purchase iron fencing, and complete brick pillars. In addition, they hope to clean-up, weed, and add a landscaping bed around the sign and add colorful, perennial plants to add to the area.

Grace and Malia along with the Sadorus All-Stars 4-H club seek donations from the community to further conduct project plans. Donations can be mailed to the Sadorus All-Stars 4-H club, 401 South Cider Street, Sadorus, Illinois 61872. Please indicate the project in the check memo. For additional questions, please contact Grace Wherley at wherleyjennifer@gmail.com or Malia Fairbanks at jyfairbanks@gmail.com

Supplies to purchase with grants and donations:	
2-Signs .....	\$3500.00
Solar Lighting .....	\$100.00
Perennial plants .....	\$175.00
<b>TOTAL NEEDED .....</b>	<b>\$3775.00</b>

Any additional donations past this amount will be used for landscaping and additional mounting of sign expenses.
