1	anonymous	I would like to see a few restaurants and shops. A pleasant "downtown" vibe that we can walk or drive the golf cart to and spend a few hours enjoying.
2	anonymous	International markets, raising canes, Thrift stores, candy shops - things that would fit the old aesthetic of the town. nothing too modern
3	anonymous	I have lived here for almost 16 yrs and it would be wonderful to have a growing business community in this area. I would support any and all.
4	anonymous	Boutiques, cafe...any business is better than nothing
5	anonymous	Being able to have similar setups to St Joe, Mahomet, Tuscola, etc. Would be nice so we didn't always have to go to other towns for things.
6	anonymous	Family restaurant serving many varieties and specialties of food. Example. The Apple Dumpling Restaurant.
7	anonymous	Cafe type
8	anonymous	Anything new
9	anonymous	Breakfast diner, Mexican Restaurant, grocery store, donut shop, ice cream shop, coffee shop

15	anonymous	Any restaurants and businesses so they remain open
16	anonymous	Family diner, breakfast cafe, authentic cuisine
17	anonymous	Nothing fast food, no more bars. Find local businesses that actually make and sell things. Three story mixed use row buildings would be ideal.
18	anonymous	All of them

20	anonymous	Grocery store, coffee shop, a diner type restaurant
21	anonymous	Family friendly sit down of any cuisine.
22	anonymous	?
23	anonymous	Rubber joint
24	anonymous	Absolutely any.
25	anonymous	Anything but bars
26	anonymous	Shops, restaurants
27	anonymous	A grocery store! Something like IGA or County Market not a huge box store like Walmart or Meijer.
28	anonymous	We need a breakfast restaurant or a "family restaurant" whether it's downtown or along US-45.
29	anonymous	Some ideas include a brew house, Hispanic restaurant, small town diner (for breakfast especially), florist, home decor business, and more. I will support basically anything that will boost morale and bring revenue into our town. We need changes ASAP. I would love for the buildings around downtown to remain intact if possible, but with the lack of upkeep by the owner(s) and damage to them over the years, if it is best structurally and financially to demolish them, then I support that. Our town deserves to be SEEN. Taxpayers/residents of Tolono also deserve to have a downtown they are proud of. I was born and raised in Tolono and remember vividly what the downtown area used to look like and it was beautiful--many of my fondest childhood memories were made in the downtown. I am in full support of "revamping" the downtown and I (along with many other taxpayers) have not been happy that our tax dollars are going towards a downtown that looks the way it does. I am very happy and excited that the village provided us with this survey and I very much look forward to hopefully seeing changes for the better. Let's do this!
30	anonymous	I don't believe our family would eat at a restaurant downtown enough to support it.
31	anonymous	Any that are built. We don't have much of anything in Tolono currently, so not really going to be choosy about it.
32	anonymous	Any restaurants that are not taverns.

59	anonymous	first you need to tear down all the slum areas along 45 and in the "downtown" area. Then you can think about what could go in. An outsider driving through on 45 and into some of the neighborhoods would think this is a junky town. One person in particular needs to clean up his holdings. I'm sure you know who.

88	anonymous	There is already a variety of businesses and restaurants along RT45. There are a few business buildings and a small house, on RT45' that need to be torn down. They certainly are not eye appealing, nor do they tempt anyone to visit our downtown area, which isn't that eye appealing anyway. We need to bring downtown Tolono back to life. Hardly any of our beautiful older buildings on the north side of Main Street are kept up. Our downtown has been allowed to look awful.

1	anonymous	Welcoming sign with attractions/business listing. Surrounded by plants & flowers and some nice lighting.
2	anonymous	Can consider having new businesses trail along a path towards downtown, community events, and also signage like what is used for the high school sporting events. Would love to brainstorm more ideas though

5	anonymous	Not really sure
6	anonymous	Grocery, farmers market, family restaurant.
7	anonymous	Simply clean up areas on sides of rt45. Updated signs (I am thinking modern) and a bright light directing people across tracks to east side. Perhaps an upgrade to the 4 way stoplight to make it look more appealing.
8	anonymous	Revamp the whole area
9	anonymous	Have an electronic sign indicating events, having something worth going into downtown
10	anonymous	better signs, better looking downtown area, a REASON for people to go downtown
11	anonymous	A sign
12	anonymous	I think the answer is to really build up route 45 business for people passing through and the downtown area is for locals or people who are visiting a specific business.

28	anonymous	Once you have some attractions/restaurants/etc, you can create signage along the highway to direct visitors. I think the main thing is to clean up the look of our town along US-45. An overall plan has been clearly neglected for so long.

207	anonymous	A real sign that lists some or all businesses in the area. Making TraXside more asthetically pleasing.
208	anonymous	A huge arrow!
209	anonymous	Do something (maybe a community garden) with the eyesore area between both railroad crossings. Looks run down, grass is mostly dead. If that area is beautified/restored, I feel more people would be drawn to other areas of our town.
210	anonymous	When you get businesses down there you advertise with signs along the highway, on social media.
211	anonymous	Repeal the monicals only offsite sign ordinance so signage can be installed telling people what is available downtown

25. Please indicate locations in your area that need to have a streetlight(s) installed.

1	anonymous	I think the downtown area would look nice with the historic looking Sternberg streetlights and poles, similar to what Paxton recently did.

21	anonymous	Rt 45 and Walnut. I do not know if a traffic light is the correct answer, but something needs done about Rocket Road traffic and something needs done about East River and N Central. No one fully stops unless the Police are sitting there. The amount of traffic and the way people drive makes for extremely dangerous conditions for the children walking without sidewalks or crosswalks.

28	anonymous	I'm not aware of any locations that specifically need a streetlight. Unless there is a specific crime problem in a location, I would prefer dollars be spent elsewhere.
